SECOND REQUEST FOR CORRECTED FILING RECEIPT

Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Enclosed is a copy of the Corrected Filing Receipt that was mailed to applicant's counsel on
December 17, 2007.

As indicated in the hand-written correction on the enclosed copy of the Corrected Filing
Receipt the "Filing or 371(c) Date" is incorrectly indicated as 02/17/2006. The correct filing date for
this U.S. national phase application should be **October 3, 2005**.

Attached is a copy of applicant's response to the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US)" that was filed February 17, 2006.

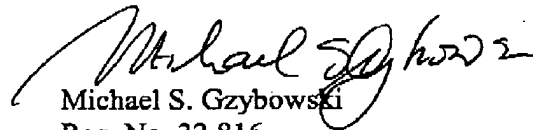

As indicated in applicant's attached response, the English translations of the claims which were allegedly missing were in fact submitted on pages 2 and 3 of the English translation of the specification filed October 3, 2005. It is assumed that the person reviewing the English translation at the PTO inadvertently failed to locate the English translations of the claims which would normally be attached at the end of the specification.

As stated in applicant's attached response, all the requirements of 35 U.S.C. §317 were met on October 3, 2005 - including the submission of the English translations of the claims.

Therefore, the application is entitled to a "Filing or 371(c) Date" of October 3, 2005.

The undersigned respectfully requests a corrected Filing showing the correct "Filing or 371(c) Date" of 10/03/2005.

Respectfully submitted,

Michael S. Gzybowski
